Colour in Betty's shoes!

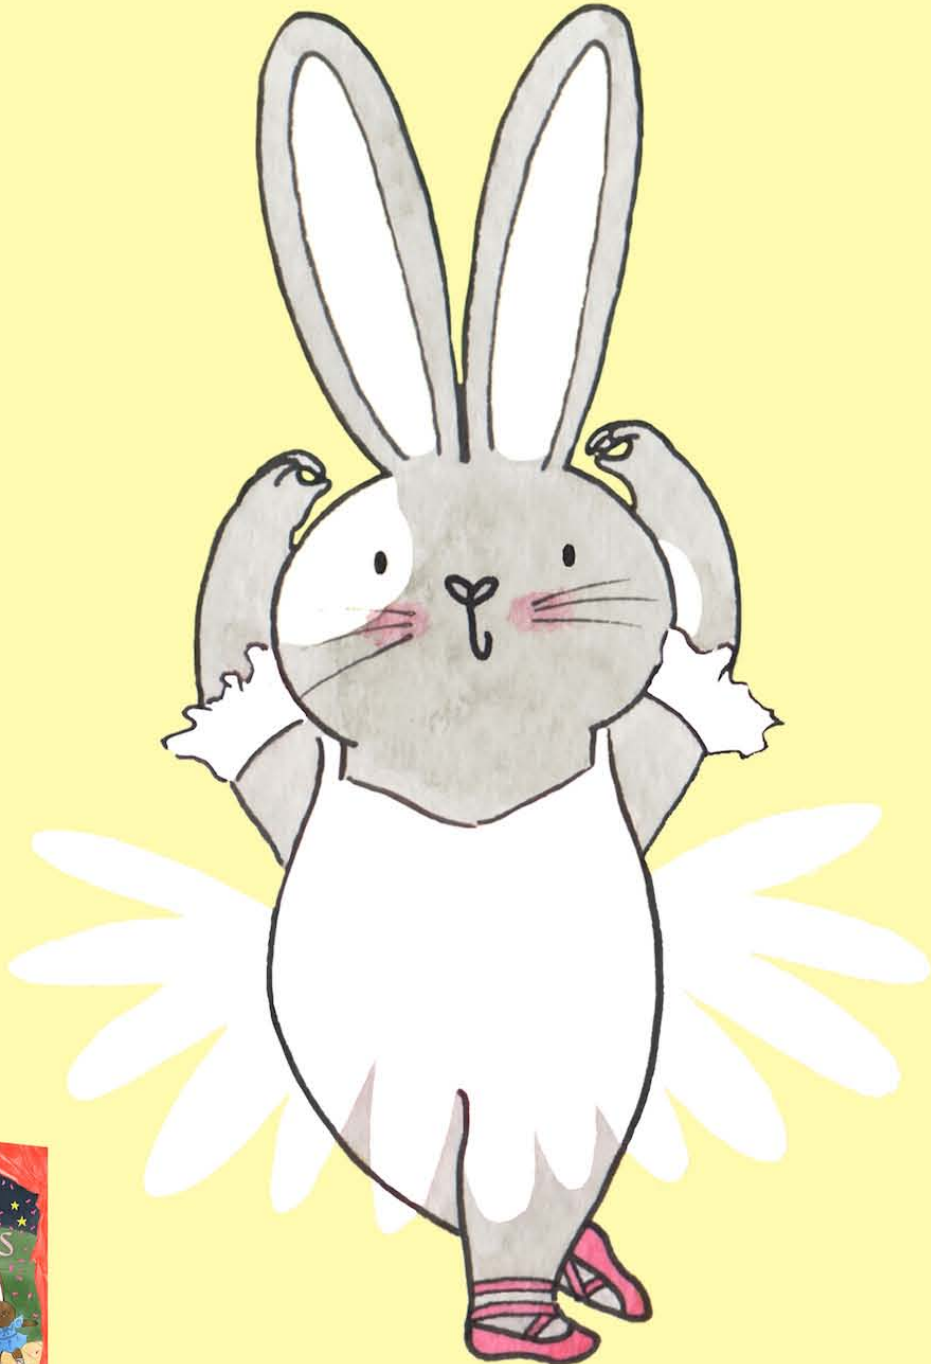

Betty loves to dance at home but when she tries to dance in class, her confidence disappears. Help Betty feel less frightened by colouring in her ballet shoes with lots of lovely patterns.

Design Betty's tutu!

Sometimes Betty feels far less graceful than the other dancers in her class. Can you design a beautiful tutu for Betty to wear in the end of term show?

Favourite audience member!

Betty loves to dance in front of her little sister Bluebell. Who would you dance for? Can you draw them in the space below?
